

Coal Mountain Ball field Grand Opening in April

10 Jan 2008

Every child deserves a chance to play baseball.

This fantastic new facility will have a state-of-the art playing surface, bleachers, concessions and everything that a top-notch ball field should have. But this ball field is like no other I know of, certainly in Forsyth County.

On this ball field are miracles. This ball field has been built with vision, purpose, community, care and love above and beyond great. The Miracle League of Cumming-Forsyth! provides physically and mentally challenged children a safe and spirited program in which they can hit, run, and catch on a baseball field – just like other kids. MLP offers a unique and memorable opportunity these children would not otherwise have.

Go to <http://cfcml.com/> and purchase an engraved brick to support this cause and to be a part of something miraculous.
